

What To Do If You Feel "Haunted"

STEP #1. THE ENTITY REMOVAL PRAYER PROCEDURES:

If for some reason you have the strange feeling that you might have negative entities around you (whatever that might mean to you!), find a quiet time, if possible, and do the following exercise. You do not have to say this out loud for it to work: Ask inwardly for your own Masters, Guides, and Angels to help you to remove the entities. Say the following, either silently or out loud: - "On all levels of my existence, clear me and Shield me, with the shield of the Holy Spirit." - "Clear any karma that I might have with these beings, in this life or in past lives." - "Clear all cause, effect, record, and memory, clear and remove on all levels of my existence: entities, Things, Its, gargoyles, mini entities, cellular entities, lost Souls, devils, demons, satanics, whisps, creatures, E.T.'s, aliens, witches, witches familiars, warlocks, warlock familiars, sorcerers, impostors, black magicians, or their helpers: - shackle clear and remove; - Beam Of God, clear and remove; - or Beam of God, Net, Clear & Remove; - OR WHATEVER IT TAKES TO REMOVE THEM. I ask this only if it is for the good of the whole, and in alignment with the will of Spirit." - This will remove regular entities, those that are resistant to leaving, and the very evil classes of entities, or demons. This method works!

STEP #2. REMOVING THEIR ENERGIES & THOUGHT FORMS (YOU MUST COMPLETE STEPS #1 & #2 TO GET CLEAR OF THE ENTITIES):

*You will still have their thought forms, and dysfunctional energies in your consciousness, after the entities are removed. To get clear, you need use both parts 1 & 2. Say the following: - "Clear all cause, effect, record and memory. Clear, vent, and remove on all levels of my existence all: thought forms, energies, hooks, hates, addictions, fears, diseases, anxieties, curses, spells, incantations, hexes, summoning, symbols, and evokings, that they might have left. Clear all: calling cards, black magic, black magic lines, entity attachment points, entity energies, entity reproduction programs, eggs, cocoons, sperm, placentas, entity slag, entity trails, entity diseases, mini entities, entity halters, and all voo doo. Clear all: European black magic, India black magic, Kahuna, Aztec, Inca, Myan, Egyptian, Druid, Atlantean, Lemurian,

Alien, Enochian, and Wicca black magic. Clear: black mirror energies, rebound curses, enchantments, death rays, disease rays, sleep rays, hypnotic rays, psychotronic rays, the evil eye, incantations, and spells; inter-planetary beings contamination and their implants, black magic, satanic curses and black magic, doorways, psychic contamination lines, opposition and contamination from all sources, black magic control lines, and control seeds. Leave only love energy, love thought forms, and love lines. I ask this if it is for the good of the whole, and in alignment with the will of God & Holy Spirit. Balance the ego and consciousness to accept these new changes, shield this work with the Holy Spirit, and Seal it with the Holy Spirit. Bless us in the Name Of God." Use the short form below, after you memorize this long form above.

AFTER YOU HAVE USED THE ABOVE FOR 1 WEEK - THEN YOU CAN USE THIS SHORT FORM BELOW:

"IF IT IS THE WILL OF GOD, CLEAR AND REMOVE, WHATEVER IT TAKES, AND ALL OF THEIR PSYCHIC STUFF." (Use the long form for a week, before you use the short form). You are actually talking to your own Guides, Angels, and Masters when you say this entity removal prayer. They are the ones that remove the entities, and also their bad energies. Most people have entities, and some are fully possessed. Entities can also jump from person to person, can cause depression, and bad health. Use this method, and Clear yourself and your loved ones, daily. Always ask if it is 'The will of God, or the will of Spirit', when you Petition for their removal.

Copy this handout, and share it with anyone who may need it. It can make a difference. This article cannot be published without consent from Whitney T. Vanwells.
